

A solid red square graphic positioned to the left of the headline.

The name says it all.

retailsolutions —
one of Europe's leading SAP
retail consultancies

- Founded in 2005 in Zug/Switzerland
- 8 locations in Switzerland, Germany, UK, Austria, Sweden, Spain and South Africa
- More than 250 employees
- Over 130 IT-projects

Our solution for retail.

More than 250 employees support our customers in the implementation of SAP projects.

Our portfolio includes solutions along the entire value chain. We attach great importance to sustainable and future-proof IT solutions.

Through constant investment in innovative topics, technologies and the know-how of our employees, we consistently focus our work on the future.

Our industry focus creates a high level of know-how

„We have focused exclusively on retail from the very beginning. In combination with our technological expertise, this knowledge makes us a reliable partner of choice.“

Philipp Rohe, Managing Partner, retail solutions AG
